

## LISTĂ DE LUCRĂRI PUBLICATE

**Doctorand, Ing. Nicoleta Mihaela Ionescu (Goidescu)**

**Facultate INGINERIA PETROLULUI ȘI GAZELOR**

**Departament Geologie Petrolieră și Inginerie de zăcământ**

**Universitatea Petrol – Gaze Ploiești**

### INTERNAȚIONAL

1. Naqzatul Shima Hashim, Bhargava Ram Oruganti, Hugh Gordon Yeomans, Nur Zatil Hulwan Redzual, **Ionescu(Goidescu) Nicoleta Mihaela**, „ *Challenges in Capturing Reservoir heterogeneity in a 3D Static model – A case Study inField A*”, Malay Basin, IPTC Conference , Kuala Lumpur , Malaezia 2014

2. **Ionescu (Goidescu) Nicoleta Mihaela**, Cristescu Tudora, „ *The three dimensional 3D geological model in a complex stratigraphic structure Example : filed X, Moesian Platform* “, 18<sup>th</sup>International Multidisciplinary Scientific geoconference, SGEM 2018 Viena, Austria

3. **Ionescu (Goidescu) Nicoleta Mihaela**, Cristescu Tudora, Brănoiu Gheorghe, Marinescu (Bădică) Carmen-Matilda, Bădică Marius Nicolae, „*The role of 3D seismic interpretation for building structural model – case study in the Muntenia oil field (Romania)*” Geolinks International Conference on GeoSciences 2019 Atena Grecia

4. Bădică Marius Nicolae, carmen Matilda marinescu (Bădică), **Ionescu (Goidescu ) Nicoleta Mihaela**, „ *Analysis with finite element , mef, seismic action for air conditions for natural gas transport*” 610<sup>th</sup> International Russian Federation Conference on engineering and Natural Science (ICENS) , 2019 Moscova, Federația Rusă, <http://theires.org/Conference2019/RussianFederation/1/ICENS/>

5. Brănoiu Gheorghe, Frunzescu Dumitru, Nistor Iulian, **Ionescu (Goidescu ) Nicoleta Mihaela**, Lungu Ionuț, „ *On some chemico-mineralogical characteristics of the reservoir rocks in the Moreni field (CarpathianForedeep, Romania)*, 18<sup>th</sup>International Multidisciplinary Scientific geoconference, SGEM 2019 Bulgaria

**6. Ionescu (Goidescu) Nicoleta Mihaela**, Marinescu (Bădică) Carmen Matilda, Cristescu Tudora, Brănoiu Gheorghe, „*The play of reservoir characterization in the field development plan-X field Romania*” 19<sup>th</sup> International Multidisciplinary Scientific Geoconference SGEM 2019

**7. Ionescu (Goidescu) Nicoleta Mihaela**, Cristescu Tudora, „*The role of reservoir characterization in the filed development plan, case study on the oil field Romania*”, 18<sup>th</sup> International Multidisciplinary Scientific geoconference, SGEM 2019 Bulgaria

**8. Ionescu (Goidescu) Nicoleta Mihaela**, Carmen-Matilda Bădică (Marinescu), Cristina Maria Venera Georgescu (Jugăstreanu), Tudora Cristescu, „*An approach for atic oil concept on brown field from Romania*” 19<sup>th</sup> 18<sup>th</sup> International Multidisciplinary Scientific geoconference, SGEM 2019 Bulgaria

**9. Carmen Matilda Marinescu (Bădică), Marius Nicolae Bădică, Tudora Cristescu, Ionescu (Goidescu) Nicoleta Mihaela**, Georgescu (Jugăstreanu) Cristina Venera Maria, „*Treatment of water resulting from oil exploitation by flocculation – CaseStudy*”, SGEM 2019 Bulgaria

**10. Ionescu (Goidescu) Nicoleta Mihaela**, Eugen Viorel Vasiliu, Ion Onuțu „*The variation of temperature of different oil reservoir densities exploited by thermal methods*”, GeolinksConference 2020,

## NATIONAL

**1. Ionescu (Goidescu) Nicoleta Mihaela**, „*The integration of geological data in static model for a complex structure- X filed Romania*”, The Exploration & Exploitation oil and gas reservoir present and perspectives, UPG Ploiesti Noiembrie 2018

**2. Bădică Marius Nicolae, Carmen Matilda Marinescu (Bădică), Ionescu (Goidescu) Nicoleta Mihaela**, „*Methodology for the analysis of industrial risks which indicate dangerous substances*”, International Scientific Conference Oil & Gas Reservoir Exploration and Exploitation, Present and perspectives”, UPG Ploiești 2018

**3. Nicolae Trașcă, Mihai Simionescu, Ionescu (Goidescu) Nicoleta Mihaela** „*Application of secondary and tertiary recovery methods of oil in Romania*”, Hydrocarbon Increasing Recovery Efficiency in the Mature Fields, Methods & technology for Cooperation, WPC Expert Workshop București 2019
