

Sameer Younus

Drilling and Completions Supervisor

Contact **Email:** Samir.geo@hotmail.com
Nationality: Iraqi
Phone: +964 750 477 8494
Date of Birth: Apr 1st, 1978
Address: Erbil, Iraq
LinkedIn Profile: Sameer Younus: www.linkedin.com/in/sameeryounus

SUMMARY

Drilling and Completions Supervisor with excellent filed experience and proven record. 19 years' total industry experience and **15 years of drilling experience**. Worked in multiple projects in **Kurdistan Region, Romania and South of Iraq**. Experience in most challenging high pressure Gas fields in Iraq and Kurdistan fields such as **Khor Mor, Chamchamal** and **Bina Bawi** including drilling and running completions. Drilled wells in **Atrush, Mala Omer, Khurmala** and currently working is **Atrush field in Duhok, Iraq**.

Supervised drilling projects with different drilling techniques such as (**UBD, MPD, Foam, Air and Hammer drilling**). Strong technical knowledge, background and field experience in MPD operations and implementation. Gained extensive drilling experience due to technically high demanding and challenging exploration wells. Supervised drilling operation for different types of wellbore trajectories and well shapes such as Vertical, highly deviated J-shape, S-Shape, and horizontal and **ERD** wells.

Solid knowledge and experience about Gas well control operations and well killing procedures and techniques. Experience in both oil and gas fields with **high H2S** level. Drilled highly fractured wells with severe and total losses.

Supervised wide range of Completions, Workover, ESP running and Well Intervention operations. Have sufficient knowledge about well planning, design and execution and professional user of Landmark software.

Safety leader on site, lead by example, follow and implement the 9 IOGP Life-Saving Rules.

Graduated from OMV E&P Well Engineering Academy, a three-year intensive Drilling classes and program.

WORK EXPERIENCE

October 2025 – Present: Drilling Supervisor, HKN Energy, Kurdistan Region fields, Iraq.

Feb 2025 – October 2025: Wellsite Leader (Drilling and Completions Supervisor), SLB IWC, West Qorna-1 Oil Field, Basra, Iraq

Sep 2024 – Feb 2025: Drilling & Completions Supervisor, AKOS, Khurmala Oil Field, Erbil. Short term contract, drilled and completed two Water Injection wells.

March 2024 – Sep 2024: Well Engineering Instructor (Freelancer), Pulsar Petroleum, Erbil.

Feb 2022 – Feb 2024: Drilling & Completions Supervisor, Crescent Petroleum, Khor Mor **Gas Field**, Sulaymaniyah.

May 2019 – Feb 2022: Drilling & Completions Supervisor, TAQA, Atrush Oil Field, Duhok.

April 2018 – April 2019: Well site Drilling Engineer, Crescent Petroleum, Chamchamal **Gas Field**, Sulaymaniyah.

July 2016- April 2018: Head of Drilling Technology Department & Instructor, Noble Technical Institute, Erbil.

July 2015 – Nov 2015: Drilling Services Manager, Flacon for Oil and Gas Supplies and Services, Erbil.

May 2014 – July 2015: Drilling Engineer, OMV Petrom, Headquarter, Bucharest, Oil and **Gas fields**, Romania.

Sep 2011 – May 2014: Well Site Drilling Engineer & Night Drilling Supervisor, OMV, Bina Bawi **Gas field** and Mala Omer Field, Erbil.

Dec 2010 – Sep 2011: Junior Drilling Engineer, OMV Bina Bawi **Gas field**, Erbil.

June 2008 – Dec 2010: HSE, GGFZ CO, Bjeel, Qoshtapa and Bazian Fields, Duhok, Erbil and Sulaymaniyah.

June 2007 – June 2008: Lab Technician, working on Core samples, TAMA, Erbil.

Jul 2005 – April 2007: Exploration Geologist, Erbil Marbel Factory, Erbil.

EDUCATION

- Petroleum Engineering PhD Student, Extended Reach Drilling, UPG University, Ploiesti, Romania.
- E&P Drilling & Well Engineering Diploma, OMV Three years program, Vienna, Bucharest, 2011 – 2013
- MSc. Degree in Petroleum Technology, University of Kurdistan, Erbil, 2010
- BSc. degree in Geoscience, University of Salahaddin, Erbil, 2005

WELL ENGINEERING TRAININGS

1. **WOCRM**, July 28th - August 1st 2025, Middle East & Asia Learning Center, SLB, Abu Dhabi, UAE.
2. **Stuck Pipe Prevention**, April 28th - May 2nd 2025, Middle East & Asia Learning Center, SLB, Abu Dhabi, UAE.
3. **Preventive Well Control**, April 21st – 25th 2025, Middle East & Asia Learning Center, SLB, Abu Dhabi, UAE.
4. **Onshore Mobile Crane Supervisor Level 2**, April 13th – 14th 2025, SLB MBC, SLB, North Rumaila, Iraq.
5. **SLB New Employee Safety Training (NEST)**, Jan 21st – 23rd 2025, SLB MBC, North Rumaila, Iraq.
6. **IWCF Drilling Well Control, Surface BOP, Level 4**, Horizon Oil Well Academy, **Expires March 2026**
7. Well Operations Crew Resource Management (**WOCRM**) IWCF, April, 2024
8. **H2S** Hydrogen sulfide, 7th – 8th September, 2024 TIU, Erbil, Iraq
9. **Well Engineering Academy, OMV Three years program, 2011 – 2013, Vienna, Bucharest**
10. **Drilling Engineering**, Rig and Rig Inspection, Drill string, BHA and Casing Design, Drilling Fluids and Cementing, Tishk International University, 11th-15th August 2024, Erbil
11. Well Services, Wellhead and X-mass Tree, CT, Slickline and Well testing, TIU, April 2024 Erbil
12. Well Operations, Well Design, Well Completions, Workover, Well Intervention, SPE Erbil, April 2024 Erbil
13. Gas While Drilling Online Course, Crescent Petroleum, 13-17th Feb 2023.
14. **Advanced Well Integrity Management**, PetroKnowledge, October 2021, UAE
15. **Advanced Stuck Pipe Prevention**, Horizon Oil Well Academy, 10th-15th October, 2020, Erbil
16. **Stuck Pipe Prevention**, Intertek, 15th-17th July 2014 Sinaia, Romania
17. Completions and Workover, Petroskills, Nov, 2019, UAE
18. Front Line Leadership Foundation Program, July, 2019, Erbil
19. **Well Engineering and Operations**, Entrac Petroleum Ltd. Two weeks course, 2014, Erbil
20. LandMark (Compass, Well Plan & Stress Check), Halliburton, 2014, Bucharest, Romania
21. **IADC UBD** Well Control Supervisory level, Five days, 15-19th July 2012, Erbil
22. **IADC UBD** Well Control Supervisory level, Five days, 11-15th Jan 2011, Erbil
23. Cementing Operation, Next Schlumberger, 21st-25th November, 2011Vienna, Austria

24. International RIG PASS Certificate from Weatherford Drilling International, Dec 2009

- 25. Safe start certificate in Weatherford Drilling International, Dec 2009
 - 26. Rig Site procedure Certificate 2008 in TaqTaq oil field
 - 27. Introduction to HSSE, 18th-20th, July, 2011 OMV, Gansandorf, Austria.
 - 28. QHSE certificate with GGFZ CO 15th July 2009
 - 29. JSA Job Safety Analysis, 19th November, 2012 BusinessScope, Erbil, Iraq
 - 30. Different safety courses, JSA, First Aid, Effective safety intervention
 - 31. H2S Hazards and effects international level II, 29th November 2013, Rutledge International, Erbil. Iraq
 - 32. Personnel Strategic Planning
 - 33. Wide range of IT and PC security online trainings
 - 34. All well engineering courses, Drilling Bits, Cementing, Casing, Logging, DD, Drilling Fluids,,,,,etc
 - 35. Many other certificates required to work as a professional Drilling and Completions specialist
-

SOFT SKILLS

- Reporting DDR software's: WellTrack, IDS, Peloton's WellView, Open Wells and conventional Excel DDR
 - Professional PC & Microsoft Office user
 - Professional Halliburton Well Design Landmark software user
-

LANGUAGES

Fluent Arabic and English, basic Turkish, Mother tongue Kurdish

DRIVING LICENSE

Hold Driving License and defensive driving certificate
